CONDITIONS AND AUTHORIZATIONS

The above named licensee is authorized to hold in captivity the species and quantity of wildlife listed below. This license shall be made available for inspection by representatives of the North Carolina Wildlife Resources Commission upon request and is made subject to the following conditions:

- (1) The animal(s) for which this license is issued must be retained on the property of the licensee. Animals held under this license may be lawfully transported within North Carolina.
- (2) Sanitation and care shall be provided as specified in the minimum standards for holding wildlife in captivity (15A NCAC 10H.0300) and in accordance with the provisions of G.S. 113-272.5.
- (3) This license is non-transferable and expires at midnight on the above specified expiration date. Animals held under this license may not be transferred to another individual without them first obtaining a valid Wildlife Captivity License.
- (4) This license may be revoked at any time for any violation of the captivity rules (15A NCAC 10H.0300).

A license may also be required from the U.S. Department of Agriculture's Animal Care Office to breed, sell, or exhibit wild mammals. For federal permit information, contact USDA-APHIS-AC, Regional Director, 2568-A Riva Road - Suite 302, Annapolis, MD 21401; tele: (410) 571-8692.

This license authorizes the possession of the following species:
